

Who

Lease Link Canada Corp. is a 100% Canadian owned and operated leasing company. We operate across Canada and have won the Consumer Choice Award for Business Excellence in multiple provinces over multiple years. Our team has excellent knowledge of local markets across Canada, and we understand how to meet your financing needs wherever you are in the country.

What

Our service is simple: find the best financing based on your information. Whether you are a new or well-established business, Lease Link has a wealth of knowledge to secure the best terms & structure for your business. Our expert advice & decades of experience allow us to find the available options for you, so that you can make informed business decisions with confidence.

How it Works

Lease Link Canada Corp is a green company.
Please choose to use paperless processing as
it is better for everyone today and tomorrow.

Ability to Upgrade

Our upgrading and updating programs ensure that clients always have the best equipment at their disposal, thereby avoiding obsolescence and the lower returns associated with underperforming assets.

Tax Benefits

Whether a capital or operating lease, tax advisors universally agree on the advantages of leasing to active businesses.

Lease Link can structure your lease to ensure that it meets the requirements of your tax consultants to minimize your tax liabilities.

Financial Benefits

Keep your other credit lines open with potential Off-Balance Sheet financing and avoid affecting your debt-to-equity ratio.

Lease payments are paid out of your operating budget, making it possible to invest your working capital where you need it most.

Time-Saving Speed

Lease Link quickly filters all the lending sources to create a shortlist of those that work best with your business. We then negotiate with underwriters to secure the lease terms & conditions thus saving you time and money.

With our ongoing consultation and support services, we're here to provide financial solutions when you need them.

Leading Technology

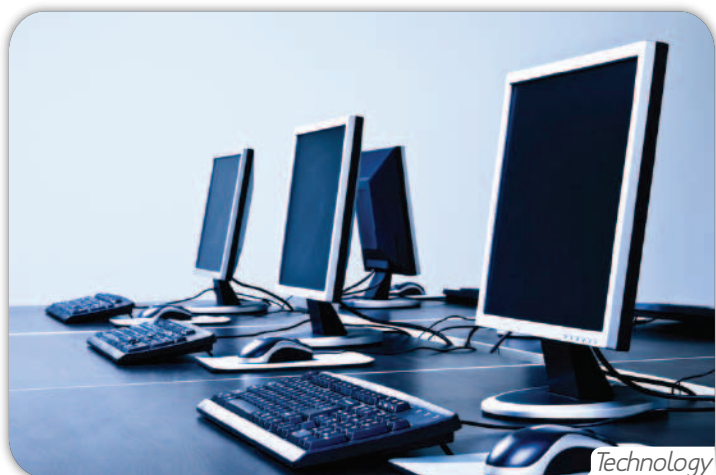

We are the trusted industry leader for our technological advantage, enabling us to finalize deals faster than our competitors. Our systems are state-of-the-art, updated continuously and link us directly to funders across Canada. Your confidential information is always protected with our secure network.

STEP & Seasonal Programs

Would you like to ramp up your payments or have them tailored to your seasonal income?

Our variable payment program is built for seasonal businesses; we can adjust your payments to match your income. We also have programs that match cash flow to the utilization of the equipment.

Flexibility

You select the terms and payment options that are tailor-made to fit your budget.

Annual * Semi-annual * Quarterly
Monthly * Semi-monthly

We also offer variable payment plans and true skip programs for seasonal businesses.

What Can I Lease?

Lease Link provides financing for a wide variety of industries such as:

- * Transportation
- * Construction
- * Health care
