

**FOR IMMEDIATE RELEASE****Miele Ltd (Canada) & Lease Link Canada Corp. Sign Exclusive Lease Finance Agreement**

**Vancouver, June 7, 2011** - Lease Link Canada Corp. ("Lease Link"), Canada's premier source for prime to sub-prime finance, has signed an agreement with Miele Ltd. (Canada) ("Miele"), the Canada's leader in Commercial & Professional Cleaning Equipment, to become the exclusive source of financing for their Miele Professional division.

James Jang, VP of Operations, commented "We feel that we are both leaders in our respective industries; therefore, we're coming together to provide the best possible service & solutions for our mutual clients. The fit for Lease Link and Miele is very synergistic as both firms have offices in Ontario, Quebec, Alberta and British Columbia. Having mutual presence in every location will ensure our clients receive the best possible service."

Miele has a proven history and continues to innovate. Lease Link has recognized this and it has drawn them to sign this exclusive agreement, which is effective immediately.

Lease Link's President Curt Elchuk stated: "With our companies joining forces, we'll be able to find solutions for thousands of business people who otherwise would have difficulty finding financing." He continued, "This partnership will allow more people to try Miele products as well as get a feel for the Lease Link experience, and we look forward to those opportunities to impress."

**About Lease Link Canada Corp.**

Lease Link Canada Corp. is a 100% Canadian-owned and operated financial services company. Lease Link provides equipment lease financing and asset management services to new and established companies in a wide variety of industries. Our asset range is equally diverse: offering capital for new, used and non-conventional equipment.

**About Miele Ltd. (Canada)**

As the world's largest family-owned and operated appliance company, Miele is immovably committed to the highest quality, performance and environmental standards. Founded in 1899 on a promise of "Immer Besser", a German phrase meaning "Forever Better", Miele has continued to distinguish itself with its sleek design, superior engineering and unparalleled service. With a wide range of domestic products from built-in ovens, steam ovens, coffee systems, cooktops (gas, electric and induction), ventilation systems, dishwashers, laundry products, vacuum cleaners and the latest innovation, Miele MasterCool refrigeration, Miele can ensure all of your needs are met. In addition, Miele offers solutions for commercial and industrial needs through the Miele Professional division.

Miele Professional leads the way in the development of innovative technology and is capable of meeting the highest demands: washing, dishwashing, cleaning and disinfection in commercial applications, continually at a high standard. Consumers wishing to learn more about Miele Professional products can contact Miele Professional at 1-888-325-3957 or visit [mieleprofessional.ca](http://mieleprofessional.ca).
